

Healing Rain

Lord, rain down upon me Your grace.
For I have been ashamed of all my mistakes
and I repent of my rebellious ways.
Replace these prickly thorns
with the fruit of Your Spirit
that I present to You
with a thankful heart that overflows.
Wash me clean and strengthen me.
Help me to see that You alone bring victory!
Shine Your Son-Light upon me
so I can sparkle Your healing dew.
For You have made me new
and I give all the glory to You!
You have nourished me by Your Word
and revived my withering, selfish soul.
I am secure and content in You.
Gratefully, I share of Who You are
and how You paid the debt for me
when You died on the Cross at Calvary
and rose to life victoriously!
And I know I will live forevermore
in Heaven with You
where pain and sorrow
exist no more.
